**\$1,750.00!**

## About this Cemetery Property

A very nice spot in the shade of mature trees in the original West section near the SW main gate. Very few unsold graves available in this section. A wonderful option if you want a site near older family plots. Originally intended for my grandmother and her husband. He is buried there with no headstone and none will be added in the foreseeable future. She is buried in northern Wisconsin near family. This single can handle THREE burials. Two caskets plus an urn, per the cemetery management. A wonderful spot for a couple or parents and child. The lack of a headstone on the companion grave will allow your site to stand out. Available for Immediate Need. Includes Transfer Fee.
