About this Cemetery Property

Hillcrest Mausoleums and Memorial Park (Sparkman Hillcrest) Crypt location and description of merchandise: N. St. Matthew, NE-N-D-2-F (two entombment rights). Includes crypt lettering and vase. (It is separate lettering per person and not a plate.)

Features: This DOUBLE COMPANION CRYPT is in the burial place of the rich and famous Mickey Mantle, Tom Landry, Mary Kay Ash. The crypt is located in the newer section of the mausoleum which is air conditioned and kept in excellent condition with plenty of places to sit nearby for prayer and contemplation. The crypt is near the Columbarium (a very nice room for contemplation and prayer). The Level is 5 (F) closer to heaven but not at the top row. Unless the family requests otherwise, both caskets will enter the crypt feet first so their heads are next to one another and rest against their names. There is enough space for one casket and one urn on either side of the companion crypt. The crypt has one right of interment per side (2 people total). If buyer chooses to inter more than two people, they must purchase the additional rights. The vase and lettering are transferable on the deed.

The mausoleum is not exclusive to specific faiths. Anyone who wants to purchase a crypt for entombment is welcome. This crypt is available for immediate need however, the cemetery says there could be a delay in scheduling the service due to the need to make the purchase. The cemetery says that they would be handling the transfer and can provide us with the Quitclaim Release and Transfer of Interest in Cemetery Interment Rights and already purchased Merchandise. Since I am the deeded owner, we will not need an affidavit of heirship. Therefore, that will save time. I will consider a reasonable offer. I will consider paying the cemetery transfer fee depending price.
