About this Cemetery Property

A rare opportunity in the world-famous Hollywood Forever Cemetery (HFC). These graves were purchased by a prominent Los Angeles family at the turn of the 20th century and are now available for sale, individually, in pairs or as a group. They are close to the lake and adjacent to the celebrity section, are single person nonsectarian plots, with easy access and are close to the road. It is a very lovely and peaceful site. Each grave site can hold one casket or urn, and a green burial is possible. For an additional fee paid directly to HFC there is an option for each grave to become a double depth companion site to hold an additional casket or urn. HFC is so lovely and well maintained that outdoor movies are hosted there. Beautiful peacocks stroll through the property. Grave sites are being offered for \$19,950.00 each. This is 53% of what HFC sells the sites for in this same area and includes the transfer fee.
