About this Cemetery Property

"Peace," is what we experienced visiting our loved one's Urn at Palm Northwest. Specifically, Palm Northwest "Memories Columbarium" is a non-denominational environment; easily accessible and nestled in the Red Rock Canyon vicinity. The grounds are always impeccably manicured and well maintained. It was always an oasis and provided a very private sanctuary retreat for us to reflect & remember during our visits. Being able to sit comfortably in this serene environment, as well as being at eye level and reaching out – touching, to pray together was truly a blessing. My hope is that anyone who purchases this now very rare and sought-after "Memories Columbarium – interior niche; will feel as at peace and blessed as we were to acquire it and have this single urn niche in your family". Palm Northwest Level 3 - Eye & Level 4 - Touch; Colum-Sec 7515, Niche-10, Tier - E.
