About this Cemetery Property

The two lots (157D 1&2) are located in Garden of Prayer. The two lots were my dad's lots which he purchased in 2006. He passed away in 2022 with wishes to be buried next to his brother in a Family cemetery near his home. I have recently inherited the property and have already burial wishes. I want to sell for price of what he purchased lots for in 2006. Available for Immediate Need. Includes 1 Vault.
