Three Single Grave Spaces for Sale
\$3,300.00 each!

About this Cemetery Property

These three (3) spaces are in view of the lake in an older developed garden, near the entrance of the Memorial Park. The spaces in Memory Garden are near the road along a cement loop walkway near the lake. [These are the only three spaces available in Memory Garden.](#) The current values of the spaces are \$4,995 per space. The cemetery will allow one casket and one urn, or two urns in a single space. The cemetery staff advised that the spaces could possibly be made "double-depth", but it could not be determined until the digging process began, because making a space double-depth could be impeded by any large boulders. [Immediate Need is not available](#), as the process will take up to two weeks. You can view Memory Garden on Google Earth by searching 1917 Archer City Highway, Wichita Falls, TX. Memory Garden is to the left of the entrance. It is the only loop by the lake.
