Four Single Grave Spaces for Sale

About this Cemetery Property

These four lots are in a rectangle about twenty feet from a thoughtful, well-kept feature of Christ's tomb with the large stone door rolled aside. The Resurrection section fronts a street within the cemetery with 30' mature privacy hedging across the street from the section. Finding and visiting these lots is easy as the feature is easy to find with nice live oak trees shading the area. It's a quiet and reflective spot away from the main road in front of the cemetery. Double depth is available if the second burial is a cremation urn. Would consider selling these lots in sets of two spaces in each set. Cemetery Retails currently for \$4,795.00 each. Available for Immediate Need. Includes Transfer Fee.
