Single Urn Niche for Sale

About this Cemetery Property

This is a very nice niche located near the front of a well maintained Dignity cemetery. The cremation niche is situated at the top row of an attractively designed and newly constructed columbarium with a statue of Jesus at the top. The subject niche is directly below the head of Jesus. See the niche with the name Glover at the top in the attached photos. The cemetery grounds are also conveniently located close to I-295, which is only 1.3 miles away (~4 mins). The sale will result in transfer of the interment rights to the new owner. The engraved name 'GLOVER' will need to be removed from the niche. Engraving a new name will be an additional cost to buyer. The cremation niche is allowed to hold more than one urn, which would be ideal for a husband/wife or life partners. Additional Rights would require a separate fee paid directly to the cemetery. The asking price is approximately 30% lower than what it was originally purchased for in Feb 2022.
