*Ten Companion Grave Spaces for Sale*  
*\$5,000.00 each!*

## About this Cemetery Property

Ten double-interment sites in a prime area of Westminster Cemetery on a hill in the Delta Section, perfect for a family or church group, or for individual purchase. Each site will accommodate two caskets, with one on top of the other. The deed lists a total of 20 spaces in 10 sites. Sites 13 – 18 are located right at the roadside, and 9 – 12 are in the row directly behind these. The two remaining sites on the right in this second row and the six in a third row behind them are all occupied but UNMARKED graves, which will provide a perpetual border of space behind the sites that are for sale. A single monument marked "Thomson" stands centered behind the three rows, so they are easily located from the roadside. \*\*Comparable sites at the cemetery are sold for \$3995.00 for one interment and \$2495.00 for the second interment in the same site (\$6490.00 total for both an upper and lower space). We will pay the \$395.00 deed transfer fee for those purchasing MORE THAN ONE SITE. These sites are available for immediate need.
